I am currently in the final year of my Informatics Engineering studies and possess approximately 2 years of work experience. My primary interest and current focus lie in **Backend Developer** due to my enthusiasm for logical problem-solving. I am driven by a strong desire to acquire new skills and collaborate effectively within teams.

PROFESSIONAL EXPERIENCE

Cloud Computing Learning Path Student   January 2023 – June 2023
Google, Tokopedia Gojek & Traveloka

- Enhanced proficiency in cloud computing skills and soft skills through participation in the "Bangkit" program organized by Google, Tokopedia Gojek & Traveloka.
